No. of companies excluded	763*
No. of companies on observation list	0

* Some companies are excluded on the basis of several criteria. Storebrand also does not invest in companies that have been excluded by Norges Bank from the Government Pension Fund – Global. We have also excluded X countries that are systematically corrupt, systematically suppress basic social and political rights, or that are subject to UN Security Council sanctions. Companies on the observation list are monitored closely, and are subject to certain investment restrictions. The goal is to use active engagement to improve company performance and risk management.

The list of excluded companies gives an overview of which companies are currently excluded from SPP Fund's investments. The exclusion list is based both on data from external data providers and on our own in-house analysis of companies. SPP Funds makes this information available to clients in order to be transparent about how we manage our clients' assets. This list is not intended for commercial purposes.
